

# FLOVA<sup>®</sup>

Quality is our passion  
and our belief

**FLOVA<sup>®</sup>**

“We **believe** it’s more than a **product**, it’s a piece of **art**. It’s more than just **quality**, it’s about the **environment** and our **health**.”

[www.flova.co.uk](http://www.flova.co.uk)

# FLOVA®

Quality is our Passion, and our Belief

Established in 1991, Flova is a distinguished **manufacturer** in the craft of brassware with over **33 years** of experience. Merging advanced **technologies** with an acute understanding of both **functionality** and aesthetic **design**, Flova is dedicated to delivering an unparalleled, **high-end** bathing experience of exceptional quality.

## MANUFACTURING EXCELLENCE

Our fully automatic intelligent **manufacturing** enhances quality further, improves **accuracy** and offers complete peace of mind for users.

All accomplished under our control, in our purpose built **in-house** manufacturing centre with 100% **quality** control.

## REFINEMENT

Meticulous attention to every **detail**, from selecting the **finest** raw material to ensuring a **premium** finished product. This commitment ensures unparalleled product quality and a flawless user experience.

## INNOVATION

Flova is **dedicated** to the research of new **technologies**. Committed to pushing the boundaries of conventional thinking, encompassing **hundreds** of awards for innovative **designs** & technologies.

ISO 14000  
Certificate

15 year  
guarantee

## BRAND INTRODUCTION

# FLOVA®

## A BRAND YOU CAN TRUST

At Flova, we believe it's more than a **product**, it's a piece of **art**. It's more than just **quality**, it's about the **environment** and our **health**.

### PEACE OF MIND

**Quality** is our **passion** and our **belief**.

Our products have received applause from **global** designers and consumers by its wide choice, characteristic functional design and **quality**.

Meeting worldwide legislation has earned us a prestigious reputation across the world, providing **assurance** and confidence to consumers.

### SUSTAINABILITY

Water saving in all dimensions.

Flova is an ambassador of **healthy** living, ensuring to protect our future. Our **innovations** & designs have earned numerous certificates supporting **low emissions**, saving water, reducing energy and a healthy lifestyle.

### GUARANTEE

Offering complete peace of mind, Flova vouch for product **quality** with a comprehensive **guarantee**.

Every Flova product is supplied with a **10 Year** manufacturing and **3 Year** working parts guarantee.

Register your product and receive a comprehensive **15 YEAR** guarantee.

# SMART

## Gun Metal

Gun Metal perfectly defines the SMART collection, effortlessly blending with the tones of industrial aesthetics. This marriage of dense yet delicate design imparts a modern and minimalistic look, softened by subtle curves. The result is a tactile experience that beautifully balances form and function in the SMART collection.

**Swivel spout diverter**

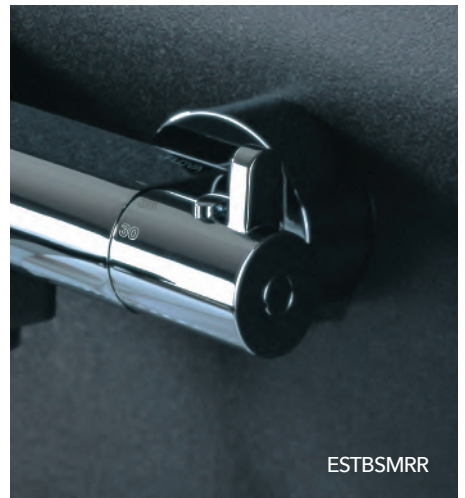

The spout as swivel diverter is a patent design which saves space and enhances your showering experiences. Simply divert your shower function by moving the spout.

**Rainshower function**  
Move the spout to the left for rainshower function.

**Handshower function**  
Swivel to the right to activate the handshower.

**Thermostatic anti-scald**  
Prevent bathroom scalding and protect your family.

**Bath fill function**  
Move the spout to the centre position to fill the bath.

# KITCHEN TAPS

At the core of our philosophy is a commitment to a healthy lifestyle, recognising the kitchen as the heart of the home. Our kitchen taps, crafted from low lead solid brass, not only provide complete peace of mind but also ensure reliable functionality, embodying our dedication to both your well-being and the practical needs of your kitchen space.

## 360° ROTATION

Designed for ultimate user convenience, the 360° rotational spout not only adds a touch of versatility to your space but also ensures effortless and seamless operation for a variety of tasks, reflecting a commitment to both functionality and practicality in every use.
